ADV  The gray ghost  Cussler, Clive  BQ-3147
In 1906, a groundbreaking Rolls-Royce prototype known as the Gray Ghost vanishes from the streets of Manchester, England, and it is only the lucky intervention of an American detective named Isaac Bell that prevents it from being lost forever. Not even he can save the good name of Jonathan Payton, however, the man wrongly blamed for the theft, and more than a hundred years later, it is his grandson who turns to Sam and Remi Fargo to help prove his grandfather's innocence.

ADV  The rising sea  Cussler, Clive  LP-5406
LARGE PRINT. An alarming rise in the world's sea levels, much larger than could be accounted for by glacier melt, sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power, and in the process displace as many as a billion people.

In this transcendent memoir, grounded in tribal myth and ancestry, music and poetry, Joy Harjo details her journey to becoming a poet. Born in Oklahoma, the end place of the Trail of Tears, Harjo grew up learning to dodge an abusive stepfather by finding shelter in her imagination, a deep spiritual life, and connection with the natural world. Narrating the complexities of betrayal and love, Crazy Brave is a haunting, visionary memoir about family and the breaking apart necessary in finding a voice.

The author, a survivor of the 1972 Andes plane crash, reveals the truth behind the life-changing events that challenged him physically and tested him spiritually, sharing the lessons gleaned from far outside the realm of radical learning, which forever altered his perception of love, friendship, death, fear, loss and hope.
