**Friendly Tips/Notes/Reminders:**

1. Please put your name or ID# on the white order sheets when sending them back to us with your books. **DO NOT insert your order request sheets inside books, as they may be missed when emptying and checking in books. Leave them loose inside bag when sending your requests, so it can easily be seen. If we see your request and it’s not hidden in a book, you are sure to get your order.**

2. If you have several mailing bags with only a few books in each coming back to us, you can put all books and any extra bags into the bigger bag and mail to us. This will save on postage.

3. Please do not send empty mailing bags through the mail as each one is a minimum charge of $2.96 per bag. This will also save on postage. If you just have a slip of paper with your order in the bag, we suggest calling us toll free or email us to place your order.
